

2023 MLEC PROPOSED VEGETATION PLAN

Trimming:*

Houston and Lewis Counties (Thru September)

Humphreys County (Thru December)

Spraying: (July-September)

Humphreys County

Deadline for those wishing to opt-out of spraying:

Must have form submitted by **Monday, May 15**, so that everything is approved and in place before spraying starts.

**Crews will also treat fast-growing hotspots across the five counties as needed.*

For special situations where the property owner would like to take a more personal investment and agrees to **maintain** the right of way according to the required distance, options are available. (If interested, contact your local MLEC office as soon as possible. For 2023, the form must be signed and everything in place by **May 15**.)
